

June 15, the Hancock Cross Chapter operated on a part-time basis due to a lack of funds necessary to keep the office in full operation during the coming year. Chairman J. Cyril Turner announced this week that the foundation for the change by the chapter Board of directors, following a display of budget figures of cost and estimated expense to be made from funds raised during the 1957 Fund Drive in March. In addition to the \$100 deficit for the current operations, only 83 per cent goal was realized from contributions. This is straight year that the chapter has failed to obtain the goal of funds to keep the office full time.

Hancock County Chapter No. 553 in the 1957 campaign this \$2106.45 will be the local chapter and \$1602.00 goes to the state. This leaves the local chapter 1955 short of the drastring budget considered necessary to staff the office on a full-time basis.

In a letter received from Henry G. Turner of Jackson, national vice chairman, concerning the Red Cross picture on a statewide and national scale, it was recorded that more than \$221,000 was collected in the 1957 Red Cross campaign for members and funds in Mississippi. This represented 55.05 of the state's goal of \$400,000. This was a higher percentage than the national average, he said.

Some chapters still are working to meet their goals, he said.

The thousands of Red Cross workers in all parts of the state are to be congratulated for their untiring efforts in making this campaign a success," Turner said.

At present, chapter officials are working on arrangements to keep the office in operation on a temporary basis until a permanent executive secretary can be found to operate the office on the new schedule, which will be announced at a later date.

Until further notice, local emergency service may be obtained by contacting J. Cyril Glover, chapter chairman; Kenneth W. Alperdene, vice-chapterman, Alvin Genin, treasurer; or Mrs. W. Argus, chairman of volunteers.

girls' States with approximately fifteen thousand high girls attending will be opening the American Legion during the months of July, Mrs. Theo Tudury, the Chairman of the Literary Unit, announced. Girls selected to attend are for their ability in High Schools from all nations are scanned for the most suited to gain in operating the maternal democratic government their experiences to classmates.

A of seven girls from County will be present at in Mississippi and the Military wishes to take

this opportunity to express appreciation to the people and organizations who have made possible the sending of these girls to Jackson from June 14 through June 22.

Sponsored by the Hancock County Board of Supervisors, City of Bay St. Louis, Knights of Columbus Auxiliary and John Weathran, Mrs. Edwin Neelase, Mrs. Earl Luxich, Mrs. Clarence Baty, Mrs. Charles A. Breach, Jr. and Emmett Brown and Mr. and Mrs. Roger Reinick, the seven girls from this county are Cleta Kay Miller, Janice Bankston, Emilie Delph, Jo Ann Benigno, Gaylon Strahan, June Cameron and Jewel Lladner.

**Name Banquet
Now Postponed**

A year-end banquet of the
Society which was
scheduled to be held
on Saturday, June 15 has been
postponed until Saturday, even-
ing of June 22, 1957. Circumstances
out of the control of the committee
have made it necessary to be
requested to handle this affair
as the reason for this.

The banquet will be held at the
Hotel Columbus home. The
meeting of a social hour
will begin at 7:30 p. m. and the
banquet will begin at about
8:00 p. m.

All Holy Name members
and their families have been invited and
it has been allowed or

Mrs. J. William Hill, Jr., will host the monthly luncheon of the Bay-Waveband Yacht Club Auxiliary, at noon, Wednesday, June 19, at the Club House.

Reservations should be made in advance either by phoning Mrs. Hill or the Club manager, B. F. Farrelly.

Mrs. Hill said a very handsome entrance prize would be awarded to the winner of the drawing. The menu would provide an excellent lunch and card playing following would be optional.

The cool breezes at the club will make it a perfect rendezvous, said Mrs. Hill, for members to relax. entertain their friends, and

DR. SMITH RECOVERING

Dr. A. P. Smith is recovering from a severe case of flu which earlier in the week caused alarm to his many friends and members of his family.

Mrs. Smith said this morning she was very happy that the doctor was feeling much better and that he had been confined to his bed at his home here throughout the week. Rumors that Dr. Smith was taken to a New Orleans hospital this week were unsubstantiated, she said, although earlier in the week he was thought by attending physicians that he might be a wise idea to hospitalize the doctor if he failed to respond to treatment at home.

A large number of families were on hand, and the evening proved to be successful as well as enjoyable for those present. Each month it is the plan of the church to hold such an evening, the object being to acquaint the congregation well acquainted with each other.

VOLUME EIGHT - NUMBER FORTY-ONE

BAY ST. LOUIS, MISS., THURSDAY, JUNE 13, 1957

Subscription \$2.00 a Year—Single Copy 50c

Two meetings were held Monday between officials of the L&N Railway and Commuters of the Mississippi Gulf Coast.

A morning meeting took place in an upstairs room of the Union Terminal Station in New Orleans with about 40 present representing the Gulf Coast Commuters.

A second meeting was held Monday night in the Auditorium of Bay High School. Representation in the interest of commuters numbered about 125 with Mayor John Scaife and Commissioners J. C. Glover and W. A. Traub of St. Louis, Mayor Garfield Badner, Waveland, R. G. Hubbard and Charles Russ, Hancock County Board of Supervisors, City Attorney Dan. M. Russell, Jr., and Ray Fourneau of the State Public Service Commission, Jackson, present.

W. Gavin Whitsett, Assistant to the President of the L&N, from Louisville, Ky., conducted the meeting. Other railroad officials present were R. A. Stanley, General Passenger Agent, and Clara Schumacher, Asst. Passenger Agent, New Orleans.

The meeting was operated on question and answer basis, with Whitsett requesting suggestions from the audience on ways and means to put the commuter service of the Mississippi Gulf Coast on a paying basis.

Pamphlets were distributed to railroad personnel with information pertinent to losses suffered on the service in question.

According to figures given, the railroad has suffered a steady increase in passengers on commuter trains during the past five years with figures of 75,988 passengers riding during 1952 against 50,028 during 1956, with increased expenditures from \$93,392 in 1952 against \$141,190 in 1956. Los Angeles in 1952 claimed that expenditures on this service were \$21,821 a year in 1956, \$98,163. The expenditures were approximately, but said the railway representative to be sufficiently accurate to illustrate the deficit incurred by the train in question.

In Among questions put to Whitsett were "How much does L&N spend annually advertising the advantages of living off the Gulf Coast, with a view to increasing passengers?" Whitsett answered "None." "How much does the L & N spend annually over all advertising?" \$100,000.00. How much is the gross and net profits of the railroad? "Gross of 240 million with profits of \$25 million for the year." With this someone asked "And less money spent on advertising than by a local New Orleans paper?"

It was also brought to the attention of Whitsett and other road representation that the freight of the L & N suffered because of lack of moral goods will by the company, and more freight could be obtained if more cooperation were given and that continued commuter service would substantially increase such freight, thereby offsetting losses which might be suffered in passenger service.

The question was asked if the railroad operated as a public utility. This was answered with a parried affirmative by Whitsett who said yes, but amended it was necessary for the company to make money also.

Whitsett said that in an effort to economize, the L & N had

duced coaches on the toll from four to three and a reduction of one coach to \$10,000 annually.

Tom Schaffer offered on the most constructive suggestion at the meeting by presenting the fact that most commuters drive into the city to work on Saturday, and that those who could ride one of the other two. He asked Whitsett what could be saved if the commuter were run on Saturday, and Whitsett said about \$22,000.00 annually.

A majority present seemed to feel that Schaffer's suggestion was practical, with Whitsett agreeing.

Mayor Scafide requested (Continued on Page Two)

**Donate Flag At
Dedication Ceremony**

Mr. and Mrs. Henry Poillon, 101 Main Street, donated the flag which was raised in the ceremony at the dedication of the Graves of Memory Cemetery last Sunday.

The flag was the one which covered the coffin of their son, Henry Poillon, Jr., killed in action in the battle of the Bulge during World War II, in the European Theater of Operations.

The newly elected Board of Directors of the Pass Christian Isles Golf Club had a meeting Monday, June 10th, and elected the following officers: Carey Spence, president; O. P. Adams, vice-president; M. A. Stevens, Treasurer; Ann Liversedge, secretary; General Doyle Hickey, Chairman of the Board. These officers were re-elected from last year, showing the confidence the Board and Club have in them.

Mrs. Earlene Russo won the Ladies' Day Golf Tourney with a low net of 40 and Miss Ann Liversedge had low putts with

The heat cut down on the number of golfing participants but a nice size group enjoyed the lunch.

Those present included. Mesdames Opal Happ, Stella Gamarc, Sophronia Hickey, Gertrude Perry, Iva Mae McDonald, Nick Beckett, Carolyn Noonan, James Borden, Frances Griffin, and Misses Maud and Julia Frye. Mr. Bob Epperson of Gilmer, Texas was a guest.

Girls desiring to attend Girl Scout Day Camp at Camp Live Oak five miles above Gulfport, the weeks of June 24th and June 25th must register at the home of Mrs. Mary Winnard between the hours of 9 and 12, on Thursday, June 20 and Friday, June 21. This later date has been set since the quota has not been filled and many are anxious to take advantage of the interesting program that is offered.

The girls accompanied by adult leaders and counsellors will leave Bay High each morning at 8 a. m. and return at p. m. The fee is \$4 for Scouts and Brownies and \$8 for non-Scouts per week. Lunch is furnished each day except Mondays when the campers bring a nose bag lunch. The camp "patch" will be earned by girls earning points in crafts, games, nature study, Scout songs and instruction will be given in swimming and canoeing. Qualified Red Cross instructors.

Mrs. Phoebe Jones is director of camp. Mrs. Winnard's home is on Phillips St., (north side) corner of Second St.

The public is invited, at charge, to attend the contest on Thursday night, June 15, at the H. B. Reed, where a Miss Hospitality Contest will be held. The winner will be selected from among the many local contestants entered in the test.

Dr. Walter Russo, chairman of the Hospitality Contest for the local Chamber of Commerce, which sponsors the event, called the loveliest array of local chitruite will be seen, as girls who have entered the test are among the most charming and beautiful in the country and he predicts a difficult choice for the three out of town judges in making a decision on the winner, who will be crowned queen given the title of Miss Hospitality.

A week ago today, Dale Morris, charged with the murder of Charles Flink, and being held for a fourth trial in September, in the Harrison County jail, Gulfport, executed an escape which created sensation.

During the week an intensive search has been conducted for the escaped prisoner in all sections of the country.

Mrs. Peggy Goudelock, using the name of Peggy Smythe was questioned by California authorities when she was picked up in Seal Beach, California, earlier this week. Mrs. Goudelock had taken Morris' four year old son to Cal

Questioned for a couple of days with regard to possible connection with Morris' escape, police released Mrs. Goudelock yesterday. Two automobiles with Mississippi license plates were reportedly seen in the locality by California police. One car, a two-toned blue 1955 model carrying a Harris County tag was located in front of the Seal Beach home where the Goudelock woman was staying. It was at first believed this might have been the escape car used by Morris. Boyce Holloman District Attorney was reported to have said after investigation there was no definite evidence to link the car with the escape of Morris.

Another car, a 1950 model, carrying a 1956 Harrison tag is the object of continued police ownership. A check of the car's ownership papers disclosed it was titled in the name of Mrs. Peggy Smythe with ownership last transferred to a Coleman Smythe, Holleman said.

He added that the search Morris will continue, and that everything is being done to bring out the facts behind the escape.

Morris had been held in Gulfport jail since November 1957 when he was extradited from New Orleans after being picked up by Louisiana police and charged with the murder of Flink.

Three trials with juries failed to agree on a verdict, and Judge Leslie B. Grant calling mistrials created sensationalism here.

Morris was denied bond by Judge Grant, and the Supreme Court set a Sept. 10 hearing on an appeal on the bond. A fourth trial of Morris was slated for September in Bay St. Louis with Judge Grant on the bench for the fourth time.

Morris had also been indicted by a Jackson County Grand Jury on charges of possession of narcotics.

INFANT IN SERIOUS CONDITION IN JACKSON HOSPITAL

An infant boy, James Allen Johnston, son of Mr. and Mrs. Lloyd Johnston, born Sunday in Bay St. Louis was in a serious condition in a Jackson hospital where he was rushed following an emergency operation in Gulfport, Tuesday.

The baby who was choking on his tongue was rushed by Fahey's Ambulance Service to University Hospital at eighty miles an hour. The ambulance was paced by an official Red Cross automobile, and a highway police

escort cleared the roadway from city to city in the 80 mile an hour ride to get the child to the Capital Hospital.

An emergency stop was made at Memorial Hospital, Gulfport, where Dr. E. C. Hamilton, performed a temporary operation of sewing the child's tongue to the roof of his mouth to prevent suffocation. Oxygen was being given the baby in the Jackson hospital by artificial means, and a report from there said the baby boy was "a little better" but still in serious condition.

Doctors from University Hospital said the child will have to be given corrective mouth surgery when he is stronger.

Circle No 2 of the Woman's Society of Christian Service of Main Street Methodist Church met on Tuesday night in the home of Mrs. J. C. McDonald on Phillips Street. Mrs. C. McDonald, Sr. presided and introduced the guest speaker, Mrs. Jolley Carr of Guilford who talked about the scope of the Women's Work Mrs. Bettie Romanoff gave the devotion. Routine business was transacted and it was announced the circle would not meet during July. August. Mrs. Pat Turnpseed reported the Rummage Sale a success. Mrs. Ada Whitfield, supervisor of the Children's Division

interdenominational conference of the Church School announced that the Laboratory School for Nursing and Primary Worker would be held in Biloxi the week of the 23rd of June and we would like to have two workers attend.

She also announced the local Vacation School had been set for July 23 - 26. This is a yearlong project of the Circle.

Mrs. Pat Turnipseed, secretary of Missionary Education and Service urged members to make plans to attend the School of Missions held annually at Seashore Camp ground the week of August 5 - 9 to prepare to teach the Mission studies in the local society.

Mrs. J. C. McDonald served delicious iced drink to thirty members of the circle and through the social hour.

Dr. Leroy McFarland and Dr. A. K. Martinolin presented information which they had acquired from J. W. Fowler, Chairman of the Mississippi Hospital Board Monday in Jackson.

In the interest of securing an adequate hospital for the county, the trip to Jackson was made Monday by representation from the Board of Supervisors, City Commissioners and doctors.

Commissioners and doctors. Detailed information was supplied by H. Hill-Burton hospital planner to the delegation. The delegation advised that the Board of Supervisors would be interested in making application for Hill-Burton funds if the application would be placed on the A priority list inasmuch as the state hospital board recognized the dire necessity of a hospital for this county. However, many applications are already on file for funds, and the priority list rotates with first applications given first consideration.

At the meeting Wednesday, G. Hubbard, board member who had made the trip to Jackson, revealed information on the

Mississippi is preparing for the Nation's largest Civil Defense drill, "Operation Alert '57." Federal Civil Defense Administrator Val Peterson says this will be the "most realistic national Civil Defense exercise yet held."

The high point of the drill will start at 10 a. m. Friday, July 12, with a simulated air attack on principal cities and targets in all 48 states. Local, state, regional and national civil defense organizations will carry out survival exercises, which in many cases will include actual evacuations.

For 55 hours, civil defense organizations will test rescue and survival plans.

In Jackson, the state civil defense headquarters in the Capitol will operate around the clock. One-fourth of the city of Jackson will be evacuated in a test drive-out staged by the Jackson-Hinds Civil Defense Council.

The Jackson Air Defense Filter Center and Ground Observer Posts throughout the state will be engaged in a fullscale exercise.

Many individual industries, like the Mississippi Power and Light Company will conduct their own emergency exercises.

Mississippi cities and towns are being invited to join in the exercises.

The drill test plans for protecting the Nation's population in a nuclear attack, plotting radioactive fallout, and communications from the national level to towns

On Monday, July 15, the federal government will test its mobilization plans and local and state organizations will begin assessing the results of their exercises. "Operation Alert 1957" ends Friday, July 19.

George E. Heitzmann checked into Memorial Hospital, Gulfport, Monday morning. This morning he underwent abdominal surgery. Mrs. Heitzmann is in Gulfport with her husband.

posed Hill-Burton hospital would be a brought before the Board, the state also provided a pro-rata share of funds. This has been discontinued by the state. When the proposition of hospital was discussed in 1951, the cost to the county would have been approximately \$68,000.00. That day, with an increase of approximately 8% in building construction, plus the fact of no state funds, the building cost to the county would approximate \$121,000.00. In giving this information, Hubbard added that this figure was conservative and also added that Federal grants on Hill-Burton hospitals were being reduced.

With 13% less being offered in 1956 than in 1955, and 30% less being offered in 1957, it is not so clear that the hospital was being sold by Fowler.

Following such discussion from the floor, members of the Board agreed that an application to the State Hospital Board to have Hickcock County put on the priority list for Federal funds for a Hospital Burton Hospital would be advisable.

It will be left to the people to decide if the application is approved, whether or not they will have a Hospital, or if they will operate under Federal State standard of maintenance staffing, or a County owned plant which would be subject to State Hospital Board requirements of maintenance and

It was explained that it probably would be some time before the application if approved would be placed on the priority list to be acted on. However, Hulse said that the Hospital Board of Jackson meets every second day of each month, and that he planned to attend the meeting to exert whatever influence he could to get the approval of the board for the county.

Before a bond issue could be floated by the county for the necessary building funds for a hospital, it would be necessary to call a special election with the vote of the people being the determining factor in resulting in the Hulse Hospital Board. The proposed hospital would be located in Jackson County.

L. & N. MEETINGS

(Continued from Page 1)

motion from Whitsett as to immediate removal of the commuter train, and Whitsett replied it was not the intention of the railroad to remove the train if it could be operated without the excessive losses which are claimed to be present, and that no immediate action was being planned for removal by the railroad.

Frederic Leary, real estate operator of Pass Christian suggested a committee be formed with representation from commuters, an attorney appointed by them, and representation from the Public Service Commission of the State, to meet on an organized basis with a delegation Whitsett agreed to such a meeting.

During the discussions Whitsett remarked the Commuter offered more service than any part of the L & N line. This met with approval from the audience, with Dr. Edward Soola, Sam Ballard, and several others giving comparative service of commuter trains in other parts of the country operated lines other than the L & N. In a comparison of average fares now charged and those needed to break even, the R. R. claims, using Bay St. Louis to New Orleans as the average, round trip \$1.48, average needed \$4.23.

The commuter trains under fire are No. 9 and No. 12 between New Orleans and Ocean Springs.

It was brought out at the meeting Monday night that the Mississippi Coast is increasing in population by leaps and bounds, that New Orleans is bursting at the seams, and the Coast would become a popular suburban area for the rapidly spreading city if the railroad provided adequate commuting facilities. Maurice Artigues remarked that instead of helping the coast in its growth, and instead of advertising the merits and benefits offered for living on the coast by advertising, the L & N gave adverse publicity and discouraged people from coming here to live, by continually giving the New Orleans newspapers unfavorable coast publicity by pulling off coast service and giving information that with constant decreases in passengers the R. R. was unable to continue service.

Antiquated coaches and poor

equipment of coast trains was brought to the attention of Whitsett by several speakers who were backed up by the delegation present. It was also brought to Whitsett's attention that many persons who would ordinarily ride trains could not do so since earlier trains than the commuter ran on such a bad schedule that persons who depended on them could not be certain of arriving in the city in time for work and that car pools were made for that reason, bus fare being too expensive for the average commuter. Whitsett asked if bus fare, which is \$2.30 round trip from New Orleans to Bay St. Louis, were too high, and the South Eastern Bus Lines had informed him they ran 16 Bus Services daily between New Orleans and the Coast, but could not afford to run more at the rate charged, could the people expect the railroad to operate when the round trip fare was in the amount of \$1.48. The reply was freight carried by the railroad, which the bus company does not have, assured tremendous profits for the railroad, whereas the bus lines depend on passenger service for profits.

The meeting ended about 10 p. m. with a promised meeting between R. R. Officials, and a committee formed by commuters. Whitsett also promised the R. R. would study all suggestions made at the two meetings in an endeavor to keep the commuter train for Gulf Coast residents employed in business in New Orleans.

STATE OF MISSISSIPPI

COUNTY OF HANCOCK

NOTICE TO CONTRACTORS

Sealed bids will be received by the Board of Supervisors of Hancock County, Mississippi, until 2:00 o'clock P. M., on Tuesday, July 9th, 1957, for constructing approximately 3.732 miles of grading, drainage, bridges and double bituminous surface treatment on the Kiln-Picayune road known as Federal Aid Secondary Project No. S-0104 (2) B, Hancock County District Four.

Plans and specifications are now on file in the office of the Chancery Clerk of Hancock County, at Bay St. Louis, Mississippi.

Proposals may be secured from the County Engineer of Hancock County, Bay St. Louis, Mississippi, upon payment of Five (\$5.00) Dollars, which will not be refunded.

All bids must be filed with the Clerk of the Board on or before 2:00 o'clock P. M., Tuesday, July 9th, 1957, at which time all bids will be publicly opened and read aloud.

The Board reserves the right to reject any and all bids and to waive any informalities.

GIVEN under my hand and official seal of office this 12th day of June, A. D. 1957. (SEAL) A. C. MITCHELL, Clerk, Board of Supervisors, Hancock County, Mississippi. 6/13/57.

Scaife-Staehling Wedding

The marriage of Miss Marlene Elizabeth Staehling, daughter of Mrs. Percy M. Staehling and the late Mr. Staehling to Mr. Arthur A. Scaife, Jr., son of Mrs. Scaife and the late Mr. Scaife, was celebrated Saturday morning, June 1, at an 11:00 o'clock Nuptial Mass at St. Catherine of Siena Catholic Church in New Orleans.

The bride was given in marriage by her uncle Mr. Louis A. Staehling at the double wedding ring ceremony at which Reverend Thomas Downland officiated.

She wore a gown of white silk taffeta fashioned with portrait neckline outlined with appliques of chintilly lace reembodyed with seed pearls. The bouffant skirt was appliqued with the same lace and pearl design as the bodice and swept into a Cathedral train. A fingertip length veil of silk illusion was attached to a crown of seed pearls, and she carried a bouquet centered with a white orchid from which cascades of lilies of the valley fell in graceful sprays.

White gladioli, stock and greenery adorned the altar of the church, with tall standards of white flowers arranged along the center aisle and palms and greenery completing the decorations at the entrance of the sanctuary.

Mrs. William H. Russ, III, was her sister's matron of honor. Bridesmaids included Miss Gayle Donlon, Miss Jean Knight, and Mrs. John V. Benenate, a sister of the bridegroom. Their waltz length frocks of white silk faille taffeta were fashioned on Empire lines with inset yokes of Venetian lace. The matron of honor carried yellow rose with the bridesmaids carrying bouquets of spring flowers. They wore headbands made of white velvet fashioned into bows to which nose up veils were attached.

Mr. Jeffrey Favre, Jackson, Miss. was best man to the bridegroom. Groomsman and ushers were A. J. Scaife, brother of the bridegroom, George T. Francis, William H. Russ, III, Jack Pisarich and Joseph Vincent.

A reception followed immediately after the church service at the Naval Air Station Officers' Club.

Mrs. Thomas Luce, mother of the prospective bride was presented a corsage, as was Mrs. Walter Gex, Jr., mother of bridegroom elect, and his grandmother, Mrs. H. A. Eldredge.

About thirty-five guests were invited and many lovely gifts were brought for the pretty brunette Jackie to add to her trousseau.

Hydrangeas were effectively used on the tea table which was laid with a handsome lace and linen cloth. A doll dressed as a bride centered the table amid the flower blooms with silver punch bowl and tea services placed at alternate ends of the table. Close friends of the honoree were asked to serve.

For traveling the bride wore a sand colored suit trimmed with luggage tan, and selected hat and accessories of luggage tan coloring.

The bridegroom is a native of Bay St. Louis and a graduate of St. Stanislaus His Father was before his death cashier of the Hancock County Bank and manager of the Hancock Insurance Co. He is a nephew of Mayor John Scaife, Mrs. Charles Carter and Mrs. Curtis Matherne of this city, and has a number of relatives and a host of friends on the Gulf Coast.

ENTERTAIN AT SHOWER
A July bride-elect, Miss Jackie Luce, whose marriage to Hartwell Gex will be an interesting coast event of next month, was honored on Saturday afternoon at a miscellaneous shower — afternoon tea at the home of Mrs. Jos. R. Scharf with Mrs. Erle Kirkpatrick co-hosting the charming party.

SAUCIER-MORTON

Mrs. Beatrice Morton of Santa Rosa community became the bride Saturday evening of Mr. Edward Saucier of Bay St. Louis, at a quiet but lovely ceremony performed by Justice of the Peace Nolan Laddner, at the home of Mrs. Ellen Cue in the county.

Mrs. Rita Johnson assisted mother, Mrs. Cue in receiving the guests at their home.

Attendants for the couple were Miss Lavinia Saucier, Bay St. Louis and Mr. Emilio Cue. The little granddaughter of the bride, Deborah Johnston of Santa Rosa, was flower girl.

A beautiful seven tiered cake, baked and decorated by Mrs. Johnston centered the table, while spring flowers adorned the reception rooms of the home.

The bride is the daughter of Mr. and Mrs. August Revenach of Santa Rosa.

Woodmen Circle Hold Meeting Thursday

The Supreme Forest Woodmen Circle, Pine Grove 187 met last Thursday afternoon, at the home of its president, Mrs. Alma Palmsano.

Mrs. Lettye Brent, District Manager, Biloxi, and Mrs. Margaret Johnson, Gulfport were guests.

Mrs. Brent requested all members to attend the District meeting which will be held Thursday, June 27, at the Trade Winds Hotel. She advised the meeting will open at 8:30 a. m. with registration, business to start at 10:00 a. m. Luncheon will be served at 1:00 p. m. in the dining room of the hotel.

Our Lady of the Gulf Church was the setting Saturday afternoon at 2:00 o'clock, for the wedding of Miss Barbara Ann Hubbard, daughter of Mr. and Mrs. Robert Garland Hubbard, Jr., of Jeff Davis Ave., Waveland, to Mr. Donald Morris Levy, of New Orleans, La., son of Mrs. Jens K. Larsen, Bay St. Louis, and Mr. Leo Levy, New Orleans, La.

The double ring ceremony was performed by Reverend Magr. Michael McCarthy.

The bride entered the church on the arm of her father who gave her in marriage. Her brunette beauty was enhanced with an exquisite wedding gown fashioned of chintilly lace with appliques of roses circling the round neckline. Long sleeves of the lace ended in cathedral points over the hands. The princess lines of the skirt, were accentuated at the waist with appliques of roses, with the full gored silk taffeta skirt flowing into a cathedral train, with an inset panel of lace starting at the waist line and broadening as it neared the base of the train. Seed pearls reembodyed the scalloped edges of the lace on the train and centered the roses of the appliques. A fingertip length veil of silk illusion was held to the head attached to a crown of lace and pearls, with a tear-drop pearl falling at the center of the forehead. Her bouquet was a cascade of lilies of the valley and stephanotis. The only jewels worn by the bride were a pair of pearl earrings, a gift from the bridegroom.

The bride's attendants were Miss Carolyn Curet, of Kiln, Maid of Honor, Mrs. Carol Marchand, New Orleans, La.; Matron of Honor, Miss Joan Hubbard, sister of the bride, Miss Patsy Horlock, a cousin, and Miss Carroll Turner, also a cousin of New Orleans, La. They wore identical frocks of white cotton lace with underdress of Nile green taffeta, made with squared necklines. Wide comberbunds of taffeta were tied into large bows in the back of the dress and fell into flowing sashes. The bell shaped skirts had accentuated back fullness. Petite crowns of pearls with short illusion veils were the attractive headresses, and they carried crescent shaped bouquets of deep green English Ivy, centered with three large daisies. Shortie white gloves and green pumps completed the fetching ensembles.

The Maid of Honor wore the same styled gown in seafoam green with matching colored head-dress and shoes and carried yellow daisies and English Ivy bouquet.

Levy-Hubbard Nuptials Saturday

Our Lady of the Gulf Church was the setting Saturday afternoon at 2:00 o'clock, for the wedding of Miss Barbara Ann Hubbard, daughter of Mr. and Mrs. Robert Garland Hubbard, Jr., of Jeff Davis Ave., Waveland, to Mr. Donald Morris Levy, of New Orleans, La., son of Mrs. Jens K. Larsen, Bay St. Louis, and Mr. Leo Levy, New Orleans, La.

The double ring ceremony was performed by Reverend Magr. Michael McCarthy.

The bride entered the church on the arm of her father who gave her in marriage. Her brunette beauty was enhanced with an exquisite wedding gown fashioned of chintilly lace with appliques of roses circling the round neckline. Long sleeves of the lace ended in cathedral points over the hands. The princess lines of the skirt, were accentuated at the waist with appliques of roses, with the full gored silk taffeta skirt flowing into a cathedral train, with an inset panel of lace starting at the waist line and broadening as it neared the base of the train. Seed pearls reembodyed the scalloped edges of the lace on the train and centered the roses of the appliques. A fingertip length veil of silk illusion was held to the head attached to a crown of lace and pearls, with a tear-drop pearl falling at the center of the forehead. Her bouquet was a cascade of lilies of the valley and stephanotis. The only jewels worn by the bride were a pair of pearl earrings, a gift from the bridegroom.

The bride's attendants were Miss Carolyn Curet, of Kiln, Maid of Honor, Mrs. Carol Marchand, New Orleans, La.; Matron of Honor, Miss Joan Hubbard, sister of the bride, Miss Patsy Horlock, a cousin, and Miss Carroll Turner, also a cousin of New Orleans, La. VELA

ANDERINO

by

VELAND

by
MARGUERITE B. HALL

Mrs. Harold Hicks returned from an enjoyable trip to Mexico.

Mrs. C. Archer and Mr. and Mrs. C. O. the Pine Burr.

Mrs. George Schroder and a few days in their home in Waveland.

Mrs. Ernest Hammond and Mr. and Mrs. McConnell at their Oak Boulevard. Mr. is the brother of Mrs. McConnell.

an Buskirk and Dick are in Houma, La., where attending an assembly with Witnesses.

Aaron Brensike is visiting in New Orleans, La., where he is employed as a cashier at the drug store.

Miss Gipson spent several days last week in one of her beach cottages.

Mr. Felton Cuevas, son of Mrs. Lena Cuevas, had quite a serious accident this week. While working on a power lawn mower, he accidentally cut off a portion of his index finger on his left hand.

He has been hospitalized in King's Daughters and Sons Hospital, but is now at his home. His many friends wish him a speedy recovery.

Mr. and Mrs. J. C. Streckfus and children, daughter Linda and son Curran, are occupying the Grayson cottage in Waveland for a couple of weeks. Young Tim Gallagher of New Orleans, and Miss Margaret Vasterling, also of New Orleans, have been guests of the Streckfus youngsters this week.

Mr. and Mrs. W. D. Byer have returned home from a pleasant vacation trip through North Carolina, South Carolina and Georgia where they visited relatives and friends. A visit to Daytona Beach was also a highlight of the trip. The Byers have only recently returned from a leisurely vacation trip to Mexico.

Miss Clara Ketchum, daughter of Mrs. Ruth Ketchum, spent the weekend in her Waveland home. She has since left for Hattiesburg, Miss., where she is attending summer session at Mississippi Southern College. Clara Lee's work in science has been so outstanding that she has been named an assistant teacher in laboratory work.

Technical Sergeant Rodney Meileur, nephew of Mrs. Ruth Meileur, and Technical Sergeant Walter Johnson visited Mrs. Meileur last week on their way back to Alexandria Air Base. The boys had been attending an aviation school in Georgia.

Mrs. Rebecca Clark of Cleveland, Ohio, is visiting at the home of Mr. and Mrs. Dickson in Waveland. Mrs. Clark is the sister of Mrs. Dickson. Mrs. Rel Coon of Woodville, Miss., another of Mrs. Dickson's sisters, and Mrs. Coon's daughter, Mrs. Joe Deval, and husband, Mr. Leo Deval, and children are enjoying their vacation in their attractive cottage on Oak Boulevard.

The big thrill of the week came to Master Greg W. Roniger who managed to capture and catch a turtle in one of his crab nets this week. Young Roniger and his family are enjoying a summer vacation at the cottage of Mrs. M. G. Carbajal.

Mr. Walter Turcotte, Jr., son of Mr. and Mrs. Walter Turcotte, Sr., of Waveland, is now at Camp Pendleton, San Diego, California, for two weeks of regular reserve summer camp. Turcotte's wife and children are in Jackson, Miss., visiting Mrs. Turcotte's family.

Mr. Clyde Bourgeois, son of Mr. and Mrs. Forest Bourgeois, is attending camp also. He and Walter Turcotte will make the trip to California together.

LIVESTOCK

The State of Iowa continued to lead the nation in livestock production in 1956. Iowa was first in hogs with 4,241,000,000 pounds, second in cattle with 2,283,000 pounds and fourth in sheep and lambs with 89,000,000 pounds.

The total: 6,593,000,000 pounds. Illinois was second in total meat animal output with 4,004,000,000 pounds, followed by Texas with 2,952,000,000 pounds; Missouri, with 2,711,000,000 pounds; Nebraska with 2,572,000,000 and Minnesota with 2,557,000,000.

Light Traps Used In State To Study Insect Abundance

State College, Miss.—Light traps operated by entomologists throughout the State are providing some valuable information on insect pests in Mississippi.

A recent report by Dr. Rose E. Hutchins and Carl Hunsacker published by the Mississippi Experiment Station says:

"Two years' records are now available and it appears that with a few more years of information, we will be able to determine: (1) insect populations at a given period, (2) time of insect emergence, (3) peaks of abundance, and (4) duration of insect activity."

"During the year it was possible to correlate insect catches made by the traps with insect populations made by other survey methods. The true army-worm, cotton bollworm and fall army-worm were some that were correlated."

"Weather definitely affected the number of insects collected at any one time. Temperature was doubtless the controlling factor; when the temperature climbed, the number of insects caught increased, while at temperatures below 50 degrees few insects were taken."

"Rain was also an important factor. On rainy nights almost no insects were taken. Rain following a long dry period seemed to soften the hard dry soil and permit the moths to emerge. Wind velocity was also a factor."

"When temperature and other meteorological factors were favorable and the wind velocity was over 15 miles per hour the number of moths taken was greatly reduced. Nights when the air was calm, other factors being equal, a greater number of insects were collected."

The complete report is published in the May issue of Mississippi Farm Research, available on request at the Experiment Station, State College, Miss.

SMALL BUSINESS

"The number of business concerns ten years old and over which failed last year was double the number failing in that age bracket in 1947," according to Senator John Sparkman (D-Ala.), chairman of the Senate Small Business Committee. He listed as major threats to the existence of small business: "The Federal Corporate income tax structure; the scarcity and high cost, when found, of credit; and the rate at which more and more power is being concentrated in the hands of fewer and fewer large corporations."

Stop Wasting Your Suffering

Adapted by a Famous Feature Service Staff Writer from a topical lecture by Frank Sheed

Stop Wasting Your Suffering

Adapted by a Famous Feature Service Staff Writer from a topical lecture by Frank Sheed

"If God is so good, how can He allow so much suffering? This is a question I frequently get when: street preaching. reply, 'Your question really ought to be, 'Suffering costs us so much—why do so many of us waste it?'"

Suffering is an inescapable fact—as certain as death and taxes. Man can only give a partial answer to its why and wherefore. The full meaning of suffering is hidden in the all-knowing Providence of God.

God cannot intend evil for its own sake. God permits suffering only because in the long run it will result in a greater good. We can see some of this good in our daily lives.

There isn't one of us that hasn't had his share of suffering. And it is generally agreed that we are all the better for having suffered. We respect the fellow educated in the "school of hard knocks." We like to be able to say, "I came up the hard way."

Suffering is a great builder of character. We look upon the fellow who hasn't suffered as a wishy-washy type—as spoiled.

Jesus Christ, the founder of Christianity, was known as the Man of Sorrows. His crucifixion was the most painful suffering in history. At the same time it was the most valuable. Jesus suffered and died for the sins of man and re-opened the gates of Heaven sealed shut by the sin of Adam and Eve.

Our sufferings are not wasted when they are offered for the same valuable purpose that Jesus had—to repair the wrong done to God by the sins of man. In this way suffering is a stepping stone to Heaven.

HIGHER COST OF LIVING

It is but natural for the Department of Agriculture making experts to blame the waves for a part of the higher cost of groceries; they can't blame the farmers. In the past 10 years, the prices the housewife pays have gone up 16 percent, while the prices the farmer receives have gone up 14 percent. It's not in filling our needs but in satisfying our desires that raises the cost of living. Someone has figured that the average consumer today has 484 wants, as against 72 a century ago. There were only 200 articles being made then, 16 of which were necessities; today there are 32,000 articles only 94 of which are classified as essentials. You cannot blame wives for the higher cost of living. Blame ingenuity and irresistible advertising.

Up To Pa

Radio And Television Being Offered At Mississippi Southern

Hattiesburg, Miss. (June 5)—A course in radio and television announcing, Speech 141, is being offered on Monday evenings at Mississippi Southern College during the summer session.

All students who have had sufficient experience in the field or who have completed Speech 53 may take the course. Emphasis will be upon voice training, with other considerations. Dictation, style, flexibility in adapting to various type of materials and situations, projection of personality and the duties of an announcer will be taken up.

Prof. Thomas MacIn, Director of Radio and Television, will be the instructor, with course hours from 7 to 10:30 p. m. Those persons wishing to avoid late registration must enroll by Monday, June 16.

Democracy in the world will work better when more people are interested in the general welfare and less interested in private profit.

Inherited

"You say Myrtle inherited her beauty?"

"Yes, her mother left her a cosmetic shop."

71 Young Mississippians Leave For Camp At Fort Jackson

Seventy-one young Mississippians left Hattiesburg, Miss., in chartered busses for Fort Jackson, S. C., Saturday, June 8th for 6 months of Army training.

These young men enlisted as a group in U. S. Army Reserve Units in the southern part of Mississippi under the provisions of the Reserve Forces Act of 1955.

The Commanding General of the U. S. Army Reserve Command of the Third U. S. Army, Fort McPherson, Ga., has, in recognition of the group of young men, designated them as the "South Mississippi Buddy Contingent."

The Commanding General of Fort Jackson, S. C., is taking special precautions to retain the identity of the "South Mississippi Buddy Contingent" while it is at Fort Jackson.

A farewell ceremony was held at Hattiesburg at the time of their departure. Colonel Frank L. Barnett, acting Chief of the U. S. Army Military District of Mississippi, presented the group with the state flag of Mississippi prior to their departure for Fort Jackson.

CHANCERY SUMMONS
No. 7723
THE STATE OF MISSISSIPPI
To RUDOLPH BILA, COSMO
BILA; and any UNKNOWN
HEIRS AT LAW OF Simon BILA,
Deceased; and any UNKNOWN
HEIRS AT LAW OF Elvira
Yessa BILA, Deceased; and any
and all persons having or
claiming any right, title or in-
terest in and to the following
described property situated in
Hancock County, Mississippi, to-
wit:
That certain parcel of land
known as Lot No. 12, Block 20,
Clermont Harbor, Hancock County,
State of Mississippi, as per plan
made by John S. Pierce, Survey-
or, and filed in the office of the
Chancery Court, Hancock County,
Mississippi in Book of two plat-
No 1, pages 49, 50 and 52, on
May 31, 1911. Said Lot No. 12,
in Block 20 has a frontage on Oak
Street of fifty feet (50 ft.) by a
depth of one hundred fifty three
feet, five inches (153 ft. 5 inches).
You are summoned to appear
before the Chancery Court of the
County of Hancock, on the 18th day
of October, A. D. 1957 to defend the suit
No. 7723 in said Court of HELEN
BILA & MRS. OLGA BILA vs. CAN-
NAN.
The same being a suit to place
heirs in possession of said land
above described wherein you are
a defendant.
This 20th day of MAY, A. D.
1957.
(SEAL) A. C. MITCHELL,
Clerk of the Court.
By: Marjorie M. Mitchell, D. C.

Disabled Veterans
Helped By Vocational
Rehabilitation Division

A total of more than 25 dis-
abled residents of the Gulfport
District have been helped to get
into suitable jobs this year, it
was reported today by Sidney
Smith, Counselor, Vocational Re-
habilitation Division.
Mr. Smith said the persons re-
habilitated were placed in em-
ployment suited to their abilities
as well as their limitations. How-
ever, he pointed out that the num-
ber who have been helped has not
increased because the voca-
tional rehabilitation program in
Mississippi needs more funds in
order to be able to serve more
people.

"The disabled in Mississippi
could have a Vocational Reha-
bilitation program twice the size
of the present one," continued Mr.
Smith "if we had adequate appor-
tion to obtain two federal dollars
for each dollar our state sets
aside to help the handicapped."

The Vocational Rehabilitation
program in every state is ad-
ministered only by the State agency.
Mr. Smith pointed out. He ex-
plained that although federal
matching money is available on a
matching basis, there are none of
the usual "strings" attached to
its use within the State, as so
many people think at first.

"The State Board of Vocational
Education is the governing board
for the operation of the Missis-
sippi Vocational Rehabilitation
Division," Smith stated. He also
pointed out that it was largely
through the efforts of persons in
the field of education that a pro-
gram of Vocational Rehabilitation
for civilians was first made pos-
sible in 1920.

There are more than 130 per-
sons now receiving time rehabili-
tation service in the Gulfport
District which includes George,
Greene, Hancock, Harrison, Jack-
son, Perry and Stone Counties.

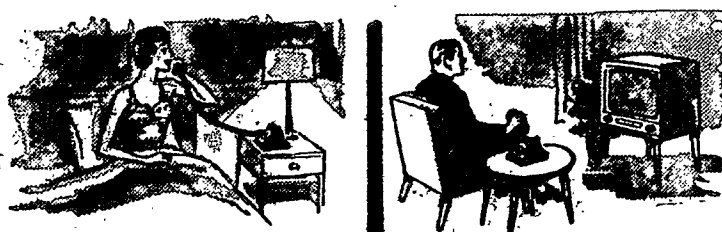

FARM PONDS

Farmers built 87,430 ponds in
1956, a record for any one year,
according to the Agriculture De-
partment. The previous high mark
was 86,421 built in 1954. In the
last six years, 45,521 ponds have
been built with technical assist-
ance from the Soil Conservation
Service. Since the service began
offering such assistance, farmers
have built 803,000 ponds, averag-
ing one to two acres each.

Additional Telephones
For only **3 Pennies**
a day per extension

You can take a lot of the run out of running your home by putting
modern telephone service at your finger tips in the rooms you use the
most... Save steps and time — and food — with a handy, low-cost
extension phone in your kitchen... Enjoy the protection and privacy
of a bedside phone... Make or take calls on a den extension without
interrupting your favorite T-V program.

Additional telephones cost only pennies a day per extension, plus tax
and installation charge... To order, call your local Southern Bell
office and ask for your service representative... She'll be glad to help
you plan complete telephone service for modern living...

NEW STATE 4-H COUNCIL OFFICERS—One of the highlights at the annual 4-H Junior
Leadership Conference at Mississippi State College was the election of State 4-H Council officers.
The conference is sponsored by United Gas in cooperation with the Mississippi Agricultural Ex-
tension Service. Seated from left to right is Charles Pickering of Jones County, president; Jane
son of Stone County, vice president; Alice Moore of Clarke County, secretary-treasurer; John
Harvey of Covington County, reporter; Jerry Tullos of Hinds County, parliamentarian. District
presidents, standing from left, are Gail Chisholm of Jones County, southeast; Billy Alder-
of Carroll County, northwest; Lucy Cox of Madison County, southwest and John Albert
of Noxubee County, northeast.

YOU ELIGIBLE FOR SOCIAL SECURITY DISABILITY
BENEFITS?

30th, 1957, is the dead-line for many people to establish
of disability under the Social Security program.
If you are disabled and have not yet found out about your dis-
abilities, check the correct answer to each of the questions below.
Have you worked 5 years under the social security law?

yes no
Are you so disabled that you are and will be unable to do
any work?

yes no
Have you been disabled more than 6 months?

yes no
Your answer to each of these questions is "yes," fill out the
below to get further information about social security disabil-
ity. Please print in pencil.

social security number (if known) _____
date of your birth _____
name _____
address _____
your disability stopped you from working _____

Street and porch have been caught.

Soft crabs have been on the beach since a few are being caught each night.

Gary Nathaniel of Hattiesburg has been spending a couple of weeks in the bay, vacationing with his family. Gary has been doing a little fishing plus other sports.

Luke Elliott was over and caught some real nice bass and perch over the weekend. Luke and his family will leave Friday for Colorado and other points west, including New Mexico on the way home. Luke, an ardent fisherman expects to do some fishing while on the trip.

Local fight fans were sorry to hear of Willie Pastrano losing to Roy Harris in their bout Tuesday night. Willie is quite a favorite with Bay St. Louis fans.

Miss Diane Enterante who is visiting this week with her grandparents made a soft crabbing trip Tuesday night. Diane said they didn't get many crabs but they were good. Some good green

it was fun just to be out in the water.

Mrs. Joe Favre and Mrs. August Vassalli who frequently go soft crabbing were out Tuesday night. They had a few, but said they have been getting good catches of late.

You speed boat and skiing enthusiasts please observe others who are fishing from skiffs up the river and bayous. Have the courtesy to slow down until you pass them. Your waves make fishing impossible for several minutes after you pass and it is dangerous to boats with women and children in them! Thanks!

Some nice catches of speckles have been caught recently out at the keys. They are all running big when found according to those who enjoy this kind of sport.

Glad to report that Carey Spence has been reelected president of the Pass Christian Isles Golf Club at a meeting held Monday night. Carey has done a wonderful job the past year and his many friends will welcome the good news. Good luck again, Carey.

MISS. PRESS ASSN. GROUP NAMES HARDEN PRESIDENT

Delmus Harden, editor of the Hattiesburg Times of Fulton Saturday was elected president of the Mississippi Press Association at the group's 91st annual convention at Biloxi, last week.

Harden, who was elevated from vice-president, succeeds Lewis P. Cashman, Jr., Vicksburg Post. Named vice-president of the MPA was Albert Fletcher, editor of the Southern Reporter, Sarda.

The association, renamed Norman Mott, Jr., Yazoo City Herald, secretary, and W. C. Taylor, the South Reporter, Holly Springs, treasurer, Henry Harris, the Daily Times-Leader, West Point, was selected as chairman of the daily section and G. O. Parker, Jr., Magee Courier, McGee, chairman of the weekly section.

E. P. Wilkes, the Daily Herald, Biloxi-Gulfport, was named new member of the board of governors of the association, and Paul Phillips, Tunica Times Democrat, and W. K. Trince, Newton, Record, will serve as holdover members of the board. The association also re-elected George Lemon Sugg, manager of the MPA since 1938.

Meanwhile Saturday as the editors closed their annual meeting at the Buena Vista hotel, they formally commended Mrs. Hazel Brannon Smith, editor of the Lexington Advertiser and Durant News, for "courageous fight and tenacity" in the defense of press freedom.

Mrs. Smith last year was upheld by the Mississippi supreme court in a \$10,000 libel suit growing out of the reporting of an alleged unprovoked shooting of a Negro boy by the Holmes county sheriff. The lower court had held a story and editorial by Mrs. Smith were libelous.

In proposing the resolution commending Mrs. Smith, editor J. O. Emmerich of McComb said that if the woman editor had not made this fight, there would have been a precedent set to deny all editors of Mississippi the right to comment on activities of the public officials. Emmerich said that the association was "belatedly" recognizing the "service which this editor rendered to all newspapers in Mississippi and elsewhere."

Also endorsed by the MPA was a proposal by Emmerich that the association aid the University of Mississippi school of journalism in setting up a printing plant and equipment at the university. Emmerich proposed that the MPA name an advisory committee to work with the journalism school if the shop is provided.

George M. Cox, executive editor of the Mobile Press Register and president of the Alabama Press Association told the convention that "newspapers must give credit to TV for their competition—the result of the competition is that our editors today are snappier more reliable and contain better pictures than ever before."

News bulletins on television he said, "whet the appetite of the public for a complete accurate story which they know they can find in their newspapers."

Cox said that there is a growing trend in newspapers now to print the names of juveniles involved in crimes and the trend is "being generated by parents themselves and juvenile authorities."

He said that such agencies have realized that the policy of suppressing names has "failed in reducing the ratio of teen-age crime" and they are not prepared to use "extreme" measures to restore a respect for law by young people.

Dulles to Remain

Another speaker Donald J. Gonzales, United Press writer who covers the state department in Washington, D. C., told the convention that he expects Secretary of State John Foster Dulles to remain in his post for at least another year.

Gonzales said that nuclear war fare is the "one point" on which the Russians are willing to discuss disarmament but that he doubted that the Russians would offer to make any agreement with the West regarding Germany or the satellite countries.

During his first four years in office, Dulles carried foreign policy around in his hat," Gonzales said, but now, he added, "our foreign policy is more broadly based than it was during the four previous years."

PA Presidents

Kenneth Walker, publisher of the Colfax (Louisiana) Chronicle, president of the Louisiana Press Association said that publishers complain too much of hard work and the "terrible socialist" fed-eral government.

He said that he wondered if

O. P. Adams of the Bay was elected vice-president. Adams is you.

Kenneth Garriga of Oklahoma City, Okla., has been awarded the position on the Coast and in Miss. Miss. Garriga is a good writer and has been playing with friends while here.

newspapers of various sizes "are doing a right job of explaining the federal government to our readers."

At a breakfast meeting of the Mississippi federation of press women, Mrs. Smith, president of the group, presented awards won by various women members in the National Federation convention recently in San Antonio. Mrs. Smith appointed Mrs. Maurine Twiss chairman of local arrangements for the group's 1958 annual convention which will be held in Jackson.

After the close of Saturday's business session, the editors and their families enjoyed a seafood feast served at the west pier of Gulfport sponsored by the Gulfport commission, the City of Gulfport, Harrison County Board of Supervisors and the Gulfport Chamber of Commerce.

"ATOMS-FOR-PEACE"

The Soviet Union and two of its satellites have taken the lead from the United States by ratifying President Eisenhower's "atoms-for-peace" program, which is expected to run into difficulties in the United States Senate.

More Than 300 Boys And Girls Take Part In Leadership Conference

More than 300 4-H boys and girls from every county in Mississippi returned to their homes Friday after participating in the annual 4-H Junior Leadership Conference at State College.

Delegates to the conference from Hancock County were Mary Henderson, Gail Finley and Don Byrd. They were accompanied by Home Demonstration Agent Ida G. Nance.

The conference, sponsored by United Gas, in cooperation with the Mississippi Agricultural Extension Service, is one of the most outstanding 4-H Club events held each year.

Highlights of the four-day conference included the election of new State 4-H Council Officers, and talks by Dr. Ben Hilburn, President, Mississippi State College; Dr. Clay Lyle, Extension Director, Owen Cooper, Executive Vice President of the Mississippi Chemical Corporation, Yazoo City and Alex McKeigney, administrative assistant to Dr. Hilburn. Delegates also participated in

regularly scheduled workshops, which gave them an opportunity to exchange ideas on 4-H work carried on by their own local clubs. Some of the workshop series were: 4-H Records, Project Selection and Completion; Organizing Out-Of-School 4-H Clubs; Community 4-H Projects and Activities; Securing Leaders and Parents; Participation and Enrollment; Developing and Holding 4-H Meetings.

Recreational activities enjoyed by the young 4-Hers during the conference included an outdoor barbecue supper, swimming, competitive games and fun fests.

The Annual Junior Leadership Conference has been sponsored by United Gas for ten years as part of the company's overall sponsorship of the Junior Leadership Training Program in Mississippi. The purpose of the conference is to give 4-H members an opportunity to put into practice the leadership ability they have gained through participation in the 4-H Junior Leadership Program.

Each year, United Gas provides expense paid trips to the conference for two boys and two girls from each Mississippi County, and pays travel and other expenses

of the trip. In addition, the company pays for the 4-H Club Officers' expenses.

The 4-H Club Officers' expenses are paid for by the company. The 4-H Club Officers' expenses are paid for by the company.

Moves out in a single sweep of motion

Chevrolet with Turboglide!

Chevy's come up with the newest, sweetest, smoothest automatic drive—Turboglide. It's the first and only triple-turbine transmission!

Turboglide is something really new and different in automatic drives. In the first place, there's only one forward-speed position on the control panel. There's no "Low" needed.

Turboglide handles everything with the oil-smooth action of triple turbines. You travel from a standstill to top cruising speeds with never a lurch or lag to mar your motion.

When you see a steep downhill stretch ahead, you set the selector at "Gr" (Grade retarder) and Turboglide helps slow you down. Try Chevy's new, nothing like it automatic drive. It's optional at a cost—and worth it.

Pere LeDuc Auxiliary To Meet June 19th

Mrs. Jake Morreale, publicity chairman of the Pere LeDuc Ladies Auxiliary announced a meeting would be held at the K of C Hall, Main Street, at 8:00 P. M., Wednesday, June 19.

All members are urged to be present.

can be inherited, and in the film, Nancy Kelly, portrays a mother whose most horrifying fears about herself are confirmed by the evil in her daughter.

Originally a novel by William March, the story was adapted for the stage by one of America's greatest playwrights, Maxwell Anderson. John Lee Mahin wrote the screen-play for Warner Bros.

Personals

Miss Phyllis Smith, daughter of Mr. and Mrs. Frank Smith, is visiting in Grand Isle, La.

Mrs. Michael Egan, with her children, is here from her Washington, D. C., home for a visit with her parents, Dr. and Mrs. A. P. Smith. Also visiting their parents from Nashville, Tennessee, are Mr. and Mrs. A. P. Smith Jr., and their children.

Mr. and Mrs. Charles Klefer and young son Stevie, of Minneapolis, Minn., will arrive Sunday for a visit of several weeks with Mr. Klefer's family.

Mr. and Mrs. Joseph R. Scharrf left the early part of this week for Northwestern University, where they attended the graduation of their son, Larry, June 12.

The three will spend several weeks visiting at a Michigan lake resort before Mr. and Mrs. Scharrf return to Bay St. Louis.

Mr. and Mrs. C. D. Blair returned this week to their Bay St. Louis home following several weeks in New Orleans. Mrs. Blair was hospitalized for about ten days while in the city. With the Blairs are

their daughter, Jane, now Mrs. William MacMillan, of Signal Mountain, Tenn., and her two daughters. They spent a week in New Orleans with their parents and will be on the coast for a couple of weeks. Mrs. MacMillan will be joined by her husband this weekend and they will spend a week together in Florida, while the little girls are here with their grandparents.

Mr. and Mrs. Will Lawrence and Miss Ethel Old returned Tuesday to their home in Orlando, Fla., after spending several weeks visiting their brother, Mr. Waldo Old and Mrs. Old in Bay St. Louis and Mr. and Mrs. Lamar Old in Logtown.

Little Miss Georgiana Haggerty, youngest child of Mr. and Mrs. Dun B. Haggerty of New Orleans, was baptized on Sunday, June 9th in St. Michael's Catholic Church. Father Peter White officiating. Miss George Ann Haggerty and Master Dan B. Haggerty, Jr., were godparents.

Immediately following the baptism a reception was held at the family home for members of both families and close friends.

Mrs. L. S. Elliott, maternal grandmother attended.

Miss Rosemary Millinery left by plane for Oakland, Calif., where she will be employed by the Research and Development Dept. of California Bell Telephone Co. Miss Millinery is a recent graduate of Pearl River Junior College.

Mr. and Mrs. Juan Del Carmen and family left Tuesday, June 11 to spend the summer months in Guatemala. It was with regret the Del Carmen family left Bay St. Louis, since upon their return to the States they will make their home in Mobile, Ala.

Mrs. Pearl Lucas, Baton Rouge, National Representative at the D. A. V. Auxiliary Department Convention which closed June 9, spent several days visiting in Bay St. Louis with Mrs. Esther Oschmann, Dept. Commander, who also attended the convention.

During her visit on the Coast, Mrs. Lucas with her hostess visited interesting sites in Biloxi, Gulfport and elsewhere. They spent several hours visiting in V. A. Hospitals with veterans. Both women also visited in New Orleans where they were guests of Mrs. Oschmann's mother.

Guests last weekend of Mr. and Mrs. Joseph Zengering were Mr. and Mrs. Ray Marero and son Kevin and Mrs. Alvin Marero.

Baton Rouge, Mr. and Mrs. Leola Marero and daughter, Leola Ann and Cynthia of New Orleans. This week the Zengering family as their guests Mrs. Leon DeBorja with her daughter, Mrs. Mark of Opelousas and Mrs. Louis Bourgeois of Baton Rouge, La.

"Gunfight At The O K Corral" To Show at Legion Theatre

The spectacular gunfight from which Hal Wallis, epic production "Gunfight at the O. K. Corral" takes its title, and which is the film's slam-bang climax, is probably the most authentic and historically accurate ever filmed. It has already been tabbed as the greatest.

Occurring when Burt Lancaster, as Wyatt Earp, Kirk Douglas, as Doc Holliday, and Earp's three U. S. Marshal brothers face the massed gun of the Ike Clanton, Johnny Ringo gang outside of Tombstone, Arizona, the pitched battle takes up five explosive minutes of screen time and required four eleven-hour working days to film. Since producer Wallis and director John Sturges

had Wyatt Earp's own guide them, as well as of the many actuals up to it are

of the most authentic and historically accurate ever filmed. It has already been tabbed as the greatest.
